

DAN DRYER PANEL 6017

23.62" x 31.49"

Cabinet with a mirrored front

Built-in hand dryer and soap dispenser

LED indicators on the mirror for effortless and intuitive operation

PANEL is a practical cabinet with a mirrored front, featuring a built-in hand dryer and soap dispenser. Made from durable laminated chipboard, the cabinet opens forward, ensuring easy maintenance.

Designed with a sleek mirrored front, it seamlessly integrates handwashing and drying directly at the washing station – ideal for high-traffic environments such as airports, shopping malls, train stations, stadiums and offices.

Pair PANEL with DAN DRYER WATER TAPS, available in both wall- and deck-mounted options, for a fully coordinated and efficient washroom setup.

Application

PANEL is ideal for public and commercial restrooms, offering an integrated solution that is both easy to maintain and highly functional.

Top shelf in cabinet for convenient storage of soap refills.

References

Offices and administration, shopping centers, restaurants, airports, sports facilities and swimming pools, schools, public institutions, and cultural venues.

Standard colour

Prod. No.: 6017: White laminate.

Installation

Wall mounted using a French cleat.
