reddot winner 2021

Manual operation
 For soap/disinfectant
 2-year warranty

LOKI manual dispensers are part of DAN DRYER's award-winning line of sanitary equipment. The product line is characterised by elegant lines and the "I" on the front, which ties together the line and creates harmony when multiple LOKI products are displayed side by side.

References

Offices and administration, shopping centres, restaurants, hotels and leisure, airports, schools, and sports facilities.

Installation

Dispenser for mounting on wall or floor/table stand.

Activation

Manual operation. Press the dosage lever slightly backwards for dosage. Dosage stops as soon as pressure is released. Access to the internals of the dispenser is only possible with a special key fitting all LOKI products.
